

IN-STOCK

ENGINEERED FASTENING SOLUTIONS

JEMMS
SINCE 1988

In-Stock Items Available for Accelerated Delivery.

At JEMMS, we understand our customers need for fast turn around, IN-STOCK fastening solutions. That in mind, we are pleased to offer over 25 of our most popular attachments each available for complete customization.

Our team can help you identify and customize the best IN-STOCK solutions for your needs. See reverse side for attachment type, power tool preference and socket options.

The JEMMS team is here to build out your solution — **CUSTOM TO THE CORE.**

Get Started Now With Three Easy Steps.

STEP 1:

Select In-Stock Attachment Type

STEP 2:

Select Power Tool Preference

STEP 3:

Select Socket Option

See reverse side for product specifications and part numbers available.

Product Type	Part #	MAX TORQUE OUTPUT (Nm)	MAX HEX SIZE (mm)	A2 (in)	B2 (in)	C (in)	D (in)	T.O.	BOLT CIRCLE	# OF OUTPUTS
